

AUGUST 2020

CAMP BUILDERS

We are living in very different times than we would prefer. The future is very uncertain and unpredictable. We have no control. It can even be scary. These times are also a perfect time for us to experience the Awesomeness of our God. If we really believe that God is in control of all things, this is one of those times when we can exercise our faith, relax, and wait to see what He is doing.

As of now we are scheduled to be at Highland Lakes in September, Sabine Creek in October, Trinity Pines and Circle 6 in November. This is subject to change. Not only from the camps perspective, but also from ours.

I know each of you are praying for God's direction, and He will show us the way forward!

Wait for the Lord; be strong and take heart and wait upon the LORD. Psalm-27:14

In Awesome Wonder,

Rex Bruton, Camp Builders Coordinator

2 Chronicles 7:14

CHURCH BUILDERS

I pray that this finds all of you in good health and strong faith. God is in control.

It is time to locate your nail bag, dust off your hammer and air up the RV tires. We do not have a project scheduled for August but we do have a project scheduled for September 14 – 25 in Gilmer, Texas. Be sure to check out the September newsletter for final instructions and location.

This will be a small job. I am not expecting more than 8 to 10 builders and wives. We are only going to do framing and siding. Hopefully we will get the house dried-in. We will plan on coming back for electrical, plumbing and sheetrock.

CHURCH BLDRS (contd)

We will be following CDC guidelines for COVID 19 construction sites. Lunch will be provided in a to-go style fashion. We can eat in our RV or outside (social distancing enforced). Because we will be shorthanded I will encourage the ladies to participate; to operate the tool trailer (per CDC guideline) and enforce CDC construction site guidelines. We will have all PPE (personal protection equipment) needed.

December is fast approaching, does anyone have Christmas party ideas? Has God touched your heart to organize a party? If so, please let me know.

Stay cool and God bless,

Tom Elliott, Church Builder Coordinator

CABINET BUILDERS

The Cabinet Builders plan to be at Life Church in Leona starting on August 24. We will be doing a lot of classroom cabinets and some for the kitchen as well as furniture in the pastor's office. So far, all of the work at the church has been done by the Volunteer Christian Builders and we will have a number of their workers on the cabinet job. I am holding one RV spot for TBM so let me know ASAP if you'd like to come because there is a wait list on the VCB side to work this job.

The shop will be air conditioned and we'll work out the social distancing somehow.

The church is located at 477 FM 977, Leona, TX.

God Bless,

Ralph Stephenson, Cabinet Builders Coordinator
