### **CABINET BUILDERS**

The Cabinet Builders do not have a traveling project scheduled for March. We have done several projects already this year from our fixed shop in the Pigott Building and I expect we'll do more projects from there in the future. I don't generally get enough advance notice to get information for the Dallas projects into the newsletter, so if you are interested in a short term (one week or less) project or don't have an RV, give me your contact info and I'll notify you.

Stay tuned for future newsletters. I've heard about potential projects in Leona, Perrin, and Harrison, Arkansas.

God Bless,

## **CHURCH BUILDERS**

We have been in the church building business for over 25 years; it is what we do! We are given this wonderful opportunity to serve God and as our mission statement declares “bring *glory and honor to God while assisting ministries that might not be able to afford these costs on their own.*”
