Sharing the Message of Christ

Listed below are two ways that you can share the message of Christ:

The Roman Road: Scripture verses taken from the Book of Romans.

- **Romans 3:23** – *For all have sinned and fall short of the glory of God.*
- **Romans 6:23** – *For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord.*
- **Romans 5:8** – *But God proves His own love for us in that while we were still sinners Christ died for us!*
- **Romans 10:9-10** – *If you confess with your mouth, “Jesus is Lord,” and believe in your heart that God raised him from the dead, you will be saved. With the heart one believes, resulting in righteousness, and with the mouth one confesses, resulting in salvation.*
- **Romans 10:13** – *For everyone who calls on the name of the Lord will be saved.*

The ABC's of Becoming a Christian:

Admit to God that you are a sinner. Repent, turning away from your sin.

- *For all have sinned and fall short of the glory of God. (Romans 3:23)*
- *For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord. (Romans 6:23)*
- *Repent and turn back, that your sins may be wiped out. (Acts 3:19)*
- *If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness. (1 John 1:9)*

Believe that Jesus Christ is God's Son and accept God's gift of forgiveness for sin.

- *God proves His own love for us in that while we were still sinners Christ died for us! (Romans 5:8)*
- *For God loved the world in this way: He gave His One and Only Son, so that everyone who believes in Him will not perish but have eternal life. (John 3:16)*
- *I am the way, the truth, and the life. No one comes to the Father except through Me. (John 14:6)*
- *For by grace you are saved through faith, and this is not from yourselves; it is God's gift – not from works, so that no one can boast. (Ephesians 2:8-9)*

Confess your faith in Jesus Christ as Savior and Lord.

- *If you confess with your mouth, “Jesus is Lord,” and believe in your heart that God raised Him from the dead, you will be saved. With the heart one believes, resulting in righteousness, and with the mouth one confesses, resulting in salvation. (Rom. 10:9-10)*
- *Everyone who calls on the name of the Lord will be saved. (Romans 10:13)*

Remember that you are talking about a person, not explaining a scientific formula. Ask questions that give you some idea of the child's understanding. Realize that you cannot make the decision for a child, nor do you have the power to save them. Only the Holy Spirit can work in the life of an individual to bring him to Christ.

We rejoice with you over any spiritual decisions made at the Campout & Mission Mania event. Please be sure to record them on the decision cards supplied in your Leader Registration Packet, and give us a copy before leaving Latham Springs. Work with the child's parents and your church staff to follow up decisions.

Sealed Orders

Sealed Orders are devotional materials that leaders can share with their campers during the Campout & Mission Mania event. These materials are designed to be used as devotional starters on Saturday and Sunday mornings, on Friday and Saturday evenings around the campfire, or possibly at lunch on Saturday and Sunday.

The Sealed Orders will be included in your Leaders Pack which you will receive in the registration area during the registration process. We encourage you to find the time during this busy weekend to spend quiet moments with your group – reflecting upon “Walking with God” and “Listening to God.”

- E. Groups can register to have their campsites inspected on Saturday to earn bonus points towards the Mighty Men of Texas award. A copy of the Campsite Inspection Form is included in this manual. This will help you prepare your campsite for inspection.

Camping Questions:

Where can we camp and how large is our campsite?

All tent camping is to be in the designated campsite locations. There are several acres of campsites near the RA Building with plenty of room for each group. Campsites are generous in size and are based on the total number of your group during registration. Every campsite is large and will offer plenty of room for camping, but not for a game of football. Please respect your neighbor's camping area and keep your footballs out of their campsite area.

Can we have a campfire and where do we get wood and water?

Yes, campfires are permitted as long as there is no fire ban in effect. All campfires (flames or hot coals) must be attended by an adult while burning and contained in the designated fire pits. An above ground fire pit will be provided for each campsite if open campfires are allowed. Propane type grills are still allowed for groups to cook on during a fire ban. Potable water is available at the RA Building or you can bring your own. Groups are encouraged to bring their own firewood and charcoal to cook and for warmth. Some firewood (dead-fall only) can be picked up in the woods. Be sure your group stays on the camp property. Do not cross any fences.

Are there restrooms and showers available?

Restrooms and showers are available in the RA Building. One side of the RA Building will be designated for guys – the other side for gals. Please encourage your campers to enter the correct side from the center of the building and stay out of the dorm areas since others will be camping inside the building. Port-A-Potties will also be located in the camping area near the trash dumpsters.

What about the Cabins?

Cabins are available for those who prefer to camp indoors. You will need to bring your own bedroll, linens, pillows, and towels. The beds are bunk beds. You will be sharing the cabin with other groups who also want to stay in a cabin.

Can we cook in or around the cabins?

Unfortunately, no. Tickets for meals are available for those who would like hot meals. You can, however, bring coolers with cold picnic supplies such as sandwiches, cereal, snacks, drinks, etc. Please note that no food is allowed in the dorms (bedding areas). Please keep all food and drinks in designated areas.

9. Event Rules and Guidelines

At the Campout & Mission Mania event, we expect all participants, including leaders, to conduct themselves as Christians at all times and to practice the second part of the RA Pledge: "To have a Christ-like concern for all people." Healthy competition is good for developing self-confidence, and team reliance.

Tips for Assembling Teams for Team Events

Ensuring that each boy has an opportunity to compete is difficult to do when you have odd numbers. At the Campout & Mission Mania event, this problem is easy to solve because almost every church will experience this situation. We encourage churches to work together to form teams when necessary. Boys who win team competitions will each receive individual awards.

Guidelines you must follow...A team may be composed of members of different churches, as long as they meet event restrictions (same age or younger.). For example a "Crusader" (4th-6th) can compete with an older group such as "Challengers" (7th-12th), but not the reverse. **Please note: Lads cannot compete with Crusaders or Challengers in team events. Leader events are for Leaders only. Challengers may not compete with Leaders.**

Reasons for Event Disqualifications:

- If a participant competes more than once for the same event.
- If a participant or his leader demonstrates poor sportsmanship, argues with the event official, uses inappropriate language or gestures or taunts another participant, he will become subject to disqualification.
- Prescribed event rules, such as wearing an age appropriate Mission Mania event wristband with number, must be followed. If a participant does not follow the prescribed rules, his score will not be counted.

10. Activities

The Campout & Mission Mania is a fast paced weekend event that offers exciting activities for boys, young men, as well as their leaders. The Campout & Mission Mania event has been designed so that something is offered for everyone – rather than everything for everyone. Is it possible to do everything at the Campout & Mission Mania event? Probably not. Campers can choose which activities they would like to join. The choice is yours, so please don't feel that you have to participate in every activity.

Everyone is encouraged to participate in the opportunities for fellowship, spiritual growth, praise and worship, mission activities, in addition to the other activities and competition events. Listed below are several of the activities that will be offered at the Campout & Mission Mania. All activities are subject to being held based upon leadership availability.

□ **Mission Activities:**

(The following mission-related activities will be offered.)

- **Mission Project** – each year there is a State Mission Project in which Royal Ambassadors and Challengers are encouraged to participate. Groups that bring a mission offering to provide hygiene kits for disaster survivors will receive bonus points for their group in addition to patches for this mission project. Turn in your offering at the Registration area.
- **Mission Display** – individuals and groups are encouraged to bring one or more mission displays to the Campout & Mission Mania event. Displays should represent one or more mission projects in which they participated during the past twelve months. Groups will receive bonus points for bringing a mission display either as an individual or group. Bring your displays to the stage area in Mission Central.
- **Mission Central** – All groups should plan to spend some major time at Mission Central. 29 missionaries and mission mobilizers are waiting to invite and challenge your group to join them in their mission. You will learn how your group can be on mission with their families, their neighbors, at school, at church, as well as in their associations, their state, their nation, and their world. Choose which missions you will accept and carry out this year. See a complete list of missionaries and mobilizers on page 11. Major points are awarded for groups who visit all mission mobilizers.
- **Prayer Walk** – designated prayer walk trails with prayer stations will be established at the Campout & Mission Mania event. Points are awarded for participation as a group.
- **Mission Speak Out** – Lads, Crusaders, and Challengers are encouraged to participate in the Mission Speak Out event. Groups will receive bonus points for the boys and young men that participate. Sign up each boy who will participate in the Speak Out at the Registration area.
- **Bible Drill** – Lads, Crusaders, and Challengers are encouraged to participate in the Bible Drill. Groups will receive bonus points for the boys and young men who participate.
- **Worship Service** – everyone is encouraged to participate in the Worship Service on Sunday morning which will include a time of praise and worship, mission testimonies, and a Gospel message through sculpture.
- **Other Activities** – all groups are encouraged to participate in other activities such as the Leadership Meeting (Leaders Only) on Friday night at 9:00pm and Flag Raising on Saturday morning. Bonus points will be awarded to the group for being on time and participating the entire time of the activity.

□ Open Activities

(The following activities are open for groups to participate with their leaders.)

- **Hiking & Fishing** – Latham Springs has several hiking trails to explore and lakes that can be fished (bring your own fishing gear). No swimming is allowed in the lakes.
- **Campcraft Village** – a Campcraft Village will feature educational campcraft stations such as rope making, ropecraft (knots), fire starting, Buddy Burners, water purification, and building shelters.
- **Walk of Virtues** – a Rope Bridge that has each of the RA Virtues listed overhead. In order to get onto the Rope Bridge, a person has to name one of the RA Virtues and explain what this virtue means to them before they will be allowed to cross the Bridge.

TEXAS BAPTIST MEN

**MIGHTY
MEN
OF
TEXAS**

The Mighty Men of Texas

The Mighty Men of Texas is the highest honor that will be awarded to the church group that earns the most points based upon their participation at the Royal Ambassadors and Challengers Campout & Mission Mania event. This group will be recognized at the conclusion of this year's awards ceremony and will have the honor of lighting the ceremonial campfire at the beginning of the mission program at next year's event. Each group has the same opportunity to earn this recognition, regardless of size.

Its purpose is to challenge participants to excel beyond the basics. It stresses taking responsibility to a higher level. It targets the individual as much as the entire group. The Mighty Men of Texas emphasizes the virtues found in the RA Pledge. It demands as much responsibility from the boy as it does from the leader. It is a group effort. Points will be accumulated based on the group's participation and success in the Royal Ambassadors and Challengers Campout & Mission Mania activities. Points are awarded in three categories: Group, Individual, and Overall Responsibility

Groups can earn the majority of the points based upon involvement with mission-related activities such as:

- ☐ **Mission Project** – Each group is encouraged to participate in the State-wide Royal Ambassadors/Challengers mission project and bring it to the event.
- ☐ **Mission Display** – Each group is encouraged to bring one or more mission displays representing projects that your group has done at your church.
- ☐ **Prayer Walk** – The entire group is encouraged to participate in the identified prayer walk trails to receive the maximum number of points.
- ☐ **Mission Central** – The entire group is encouraged to visit the Missionaries at Mission Central and sign up for mission projects and strategies to receive the max points.

Individuals can earn points for their groups in the following ways:

- ☐ **Mission Speak-Out and Bible Drill** – Bonus points are awarded to each group for the first participant in these activities. Competition points are also awarded.
- ☐ **Competitive Events** – Points are awarded for 1st, 2nd, and 3rd places in each of the competitive events. As an Ambassador for Christ – Do your best.

Overall Responsibility – “To become a well-informed, responsible follower of Christ.” Points are awarded for personal responsibility as it relates to the entire group. Listed below are several ways that points are awarded and/or lost.

- ☐ **Pre-registration** of your group before the deadline. Bonus points awarded.
- ☐ **Attendance** at all program related events – Bonus points are awarded for your entire group being on time for each program-related activity (Leaders Meeting and Flag Raising.)
- ☐ **Campsite Inspection** – Groups can sign-up to have their campsites judged for safety, general appearance, and campcraft skills demonstrated.

- **Demerits** affect the entire Group! They will be based on infractions against stated camp policies/rules or as a result of repeated warnings to an individual or group of individuals for bad, unsafe, or inappropriate behavior. Each case will be evaluated based on the given set of circumstances. A leader may contest each decision in a mature Christian manner.

Basketball – 3 vs 3 Hoops

I. Eligibility Rules

- A. Young men in the 7th, 8th, and 9th grades may form a Challengers I team and young men in the 10th, 11th, and 12th grades may form a Challengers II team. Teams can only be composed of young men in the 3 grades within their division. (Challengers I team 7th, 8th, & 9th grades only. Challengers II team 10th, 11th, & 12th grades only.)
- B. Teams should be formed from a Challengers chapter/church. **One** Challengers I (9th grade only) may move up to the Challengers II division in order for a registered chapter or church to meet team requirements of three players. This team will compete in the Challengers II division.

However, when there is an insufficient number to form a team within a chapter/church, young men from different chapters/churches may combine to form a team. Rules A & B apply - teams can only be composed of young men enrolled in the 3 grades within their division or only one Challengers I player (9th grader only) playing on a Challengers II team.

Composition of teams will be left to the Tournament Registrar at the Hoops Registration Table at the Campout & Missions Mania event.

II. Awards

Patches with chevrons will be awarded following the conclusion of the tournament to the top six teams.

III. Rules Governing Play

1. Games must start with three players, but may be completed with only two players.
2. A coin flip will determine who gets first possession.
3. Ball will change possession after every basket made. (No make it, take it.)
4. The ball will be "taken back" on every change of possession. Failure to take it back will result in loss of possession and the loss of any points resulting from that possession. ("Taken back" means both feet behind the two-point line.)
5. The ball must be checked by an opposing player before it is put into play.
6. The ball must be passed into play.
7. After all fouls or balls out of bounds, the ball will be taken out at mid-court.
8. TWO-POINT SHOTS: Similar to a three-point shot, a shot made from outside the 19-foot stripe will count as two points. The shooter's feet must be **clearly and completely** behind the two-point line for the basket to count as more than one point.
9. The court monitor will have final say if there are questions.

III. Fouls and Other Debates

1. There will be a monitor assigned to each court. It is his responsibility to act as scorekeeper and settle all disputes between teams concerning fouls, ball out-of-bounds, and any two-point shots. He keeps time and reports the outcome of each game to the "Hoops" Director.
2. Monitors' decisions are final, and protests are not allowed.
3. Players will call their own game fouls, out of bounds, etc. The player fouled is responsible for calling the foul. If a foul is not called, play does not stop.
4. The "Team Captain" for either team may waive calling their own game prior to the start of a game or at any time during the game by requesting the court monitor to make all calls.
5. If a player is fouled in the act of shooting and makes the basket, the basket counts and the ball changes possession. If the basket is missed, the ball is checked and in-bounded at mid-court by the team fouled.
6. The "Team Captain" may ask the court monitor to keep track of fouls (for both teams at any point during the game. A player is ejected from the game on his sixth foul. (Please note that this rule differs from No. 4 in that the court monitor in this situation only tracks fouls -- they do not make any calls.)
7. Jump balls go to the defense.
8. Flagrant fouls or continuous misconduct **will** result in the dismissal of the offending player. The court monitor will call flagrant fouls. When a flagrant foul is committed, the player fouled will shoot one uncontested two-point shot and retain possession of the ball. Two flagrant fouls on a player will result in the automatic ejection from the game. Flagrant fouls include intentional shoves (pushes), foul language, and any type of intimidating action such as "trash talk" or "stare downs," or any other unChristian-like conduct.
9. Anyone involved in fighting for any reason, whatsoever, will be ejected from the game.

IV. Time

1. Each team is allowed two 30-second time-outs. These stop play, but the clock will continue to run. Time-outs in the last two minutes stop the clock.
2. A five-minute forfeit allowance will be enforced. If a team is late, but arrives prior to forfeiting, the remaining time to conduct the game will be determined by the monitor.
3. If stalling occurs, the defensive team may ask the monitor to enforce a 30-second clock. Failure to attempt a shot (and "draw iron") in 30 seconds, after being advised by the monitor, will result in loss of possession.
4. If a game is ended at 12 minutes, the team ahead wins; if a game reaches this time limit in a tie, the teams will play to sudden death -- with the team that has possession at the end of regulation play retaining possession.
5. Games will end at 15 points, win by two points, or 12 minutes...whichever comes first. Exception: the championship game and the game to determine third place will have no time limit, and the winners must score 21 points and win by a two-point margin.

Basketball Shootout

1. Divisions

There are three divisions:

1. Crusaders – Grades 4th-5th-6th compete by their grades.
2. Challengers I – Grades 7th-8th-9th compete as a group.
3. Challengers II – Grades 10th-11th-12th compete as a group.

2. Rules Governing Competition

1. Each competitor will have one (1) minute to shoot as many shots as he can.
2. Competitor must have one foot on the circle or designated marking when the ball leaves his hands.
3. Each circle or designated marking will have a set point value (1, 2, or 3 points) for a basket made from that spot.
4. Each basket made will count toward the competitor's final score.
5. The competitor is responsible for retrieving the basketball each time he shoots. If, for some unusual circumstance, the ball cannot be retrieved in a timely manner, the monitor/director of this event may stop the clock so that the dead time will not be counted against the competitor. All decisions of this nature will be determined by the event director.
6. The event director will tell the competitor when to begin shooting and when time has expired.
7. The event director will also call out the cumulative score whenever a basket is made during the competition and will record the final score.

3. Awards

1. Patches and chevrons will be awarded to the top six competitors in each grade or group.

Bible Drill

The Bible Drill challenge provides an opportunity for Royal Ambassadors and Challengers to race against the clock to locate Books of the Bible or specific Bible verses. The RA Bible (HCSB) is used at the Bible Drill competition.

There will be four divisions in the Bible Drill challenge:

Lads (Grades 1st-3rd) will compete by grades. (20 second time limit)

During the Bible Drill:

1. Instructions will be given to the participants by the Caller.
2. Each participant will be given time to locate the book or verse in the RA Bible.
3. After locating the correct book or verse, the participant will place his index finger on the book or verse. Lads will indicate that they have found the correct book by raising their other hand. Crusaders and Challengers will take one step forward.
4. Each participant that indicates they located the book or verse will be checked by the Timekeeper.
5. Judges will score correct finds.
6. The decisions of the Judges are final.
7. Participants will be given the benefit of the doubt.

Bible Drills:

Books of the Bible Drill – each participant must find the book called and place his finger on any page in that book during the time allotted.

Campcraft Competition

1. The State Campcraft Contest will be a part of the annual Campout & Mission Mania event for Crusaders, Challengers and Leaders. Team registration forms will be available at the Campcraft Registration Table.
2. **General Rules**
 - A. There will be four (4) divisions in Campcraft contests:
 1. Crusaders Grades 4th-5th-6th as a group
 2. Challengers I Grades 7th-8th-9th as a group
 3. Challengers II Grades 10th-11th-12th as a group
 4. Leaders Ages 18 and Up as a group
 - B. Each person may participate in the contest one time only.
 - C. A boy may move up to a higher Division to substitute on a team in order for a group to meet minimum team requirements. That team must compete in the Division represented by the highest grade. The Leaders division is for Leaders only. Crusaders and Challengers cannot compete with Leaders.
 - D. There must be at least two (2) team members and no more than five (5) participants on each team.
 - E. The contest will be RELAY style. A judge will use a stopwatch in each contest. The judge will add 10 seconds per item to the final time for each error.
 - F. The Individual Relays
 1. Log Sawing. – The goal is to safely use a saw to cut one (1) inch of wood from the log. The team begins behind the starting line. When the judge says, "Go," the team races to the sawbuck that has a 4" log (fence post) on it and a bow saw. The team may use any safe "Buddy System" to saw approximately one inch off the log. Hands and legs must be away from the saw blade and remain behind the bow saw where the hand grips are. If the judge sees that the team is sawing in an unsafe manner, he will say "Stop," point out what needs to be corrected, then allow the team to continue until they have finished sawing. Time will continue to run from the start until the end that is sawed off hits the ground which ends the team's time.
 2. Knot Tying – The goal for the team is to tie the first four knots called randomly by the judge. Four (4) knots will be selected at random by the judge from the following knots: Overhand, Figure Eight, Square, Clove Hitch, Bowline, Double Half Hitch. One or any combination of the team members may tie knots, but the relay tagging rules must be followed. The

first boy goes to the rope, ties one knot given him by the official and returns to the starting line. He tags the second team member who runs to the rope and ties the second knot given by the official. This continues until four of the six knots are tied. Any knot or knots tied incorrectly will result in a 10 second penalty per knot. Team members must continue to take turns in succession until the knot is tied correctly. In the event that no team member can tie the specified knot, the team will be disqualified from the knot tying event and cannot compete in the tent pitching and be considered for the overall campcraft award.

3. Tent Pitching – The goal for the team is to successfully pitch a two-person nylon A-Frame tent. All team members stand behind the “start-finish” line which is 20 feet from the tent pitching area. Time begins when the judge says, “Go.” The team runs to the tent which has the poles rolled inside with tent ropes wrapped around it and tied in square knots. Two hammers and eight stakes are in a bucket. The team pitches the tent using the eight tent stakes placed properly, one at each corner, two for the tent poles, and two for the side ties. Tent stakes must be driven at least halfway into the ground. Zippers may be left open. When the judge thinks the tent is properly pitched, (tent standing reasonably straight with no team member touching any part of the tent, ropes or stakes), he will say, “Strike.” The team then strikes the tent, places the hammers and the eight stakes in the bucket, rolls the tent poles inside the tent, wraps the ropes around it and secures the tent and poles with square knots. Time will stop when all items have been secured and all of the team members are back across the “start/finish” line. The tent should be rolled tightly enough to fit back into the original box from which it came. There is a seven (7) minute time limit for Crusaders and a five (5) minute time limit for Challengers and Leaders.

- G. All equipment for the contest will be provided by the State Office.
- H. Final decisions and interpretations of rules will be made by the Campcraft Event Director.

3. Awards

Teams that have completed all three individual relays will have their total times calculated to determine the overall Campcraft event winners in the Crusaders, Challengers, and Leaders divisions. Patches with chevrons will be awarded to the top six teams in all four divisions.

Campfire Cooking

Campfire cooking is an opportunity for your group to demonstrate their cooking ability. Leaders are encouraged to get your guys together and prepare your group's favorite dish and see how you stack-up against the others. Here are some guidelines for this event.

There will be four different categories in which you can enter a dish. You may enter as many dishes as you wish, but the same dish may not be entered in more than one category. The judges have the final decision as to which category the dish fits. All dishes entered must have been prepared at this year's event. The categories are:

Main Dish

Side Dish

Dessert

Bread

A completed entry consists of the entry form as well as a legible recipe to include ingredients and quantities, number of servings, cooking time, and any other important information. There is a plan to eventually compile recipes into a cookbook.

Judging information:

1. Entries will be due at the RA Pavilion by 6:30 pm. You are encouraged to bring a serving spoon (if needed) for the judges to use for your dish.
2. Depending on the number of entries, there may be more than one panel of judges.
3. After a registration picture is taken and a serving sample is dished out for judging, the remainder of the dish will be returned to the submitting church for their use.
4. Each church group that submits a completed entry will receive bonus points for submitting at least one entry. Additional bonus points will not be awarded for additional entries; however, they could be eligible for competition points.
5. The top three dishes in each category will earn competition points for their church group. An overall "best dish" will be recognized from the first place finishers in each of the four categories. No points will be awarded for this recognition.
6. All judge's decisions are final. There are no provisions for protests or challenges.

Awards:

Patches and chevrons will be awarded to the top six places in each of the four divisions. Judges Awards and Honorable Mention ribbons may be given at the discretion of the judges.

Campfire Cooking Entry Form

Completed forms, recipes, and dishes are due at the Campfire Cooking event location (RA Pavilion – near the RA Dorm) by 6:30 pm on Saturday. One completed entry form and recipe sheet is required for each dish entered.

Lad Olympics

The Lad Olympics is open to Lads (Grades 1st-3rd). This event consists of five (5) skill areas that are combined to form an obstacle type course with one lapsed time. The areas are (1) wood block carry, (2) 2x4 walk, (3) basketball transfer, (4) marble carry, and (5) soccer ball run.

The Lad stands at the "Start" stake or marker. When the event director says "Go", the time will start. The Lad will run to the first 4x4 beam and walk or run across it without touching the ground. If the Lad touches the ground, he must start over until he has crossed the 4x4 beam without touching the ground.

The Lad will run to the table indicated by the event director before the start and move five 2x4x6-inch wood blocks to the other end of the table passed the line marked on the table; any dropped blocks must be put on the table before proceeding to the next area.

The Lad then runs to the basket, bucket, or container with three basketballs in it and transfers all three balls to the other container. This can be done with one trip or more if desired until all three balls are transferred.

Then the Lad proceeds to the table indicated by the event director before the start for the marble carry. The Lad picks up a spoon and places the spoon in a cup containing marbles. He must get one marble in the spoon and transfer it to the cup on the other table without dropping it. The marble cannot be touched with a finger or anything else during the transfer. If the marble falls out of the spoon the Lad must return and get another marble until he has transferred one marble to the cup on the other table.

Then the Lad crosses the second 4x4 beam and walks or runs across it without touching the ground. If the Lad touches the ground, he must start over until he has crossed the 4x4 beam without touching the ground.

Then the Lad runs back to the start point where a soccer ball will be three feet in front of the start point. The Lad must kick the ball down to and around the cone, and then kick it back to the start point. When the Lad and the ball are both past the start point, the time will stop.

Patches and chevrons will be awarded to the top six places in each grade.

Log Pull

The Log Pull competition event is for all registered participants. There are (5) five divisions in the Log Pull event:

Challengers I (Grades 7th-8th-9th) competing as a group.

Challengers II (Grades 10th-11th-12th) competing as a group.

Leaders (ages 18 and up) competing as a group.

The Log Pull competition is a 3-man team event which requires tying a "Timber Hitch" around one end of a log and then the entire team works together in pulling (dragging) the log around a predefined course.

The team is timed while on the course. Time will begin when the timer says "Go." One member of the team must correctly tie a Timber Hitch around one end of the log. The team can begin pulling the log when the timer says "Correct." All team members must hold on to the rope as they are pulling the log. If one or more team members lets go of the rope, the timer will say "Stop" to allow all the team members to grab a hold on to the rope. Time will continue to run on the clock. The team can begin pulling once the timer says "Go." The team has to work together in pulling the log around a "T" post and back to the finish line. The clock stops when the last team member crosses the finish line.

Patches and chevrons are awarded to the top six teams in each division.

- B. Mission Action projects will be judged by its impact on those helped and by the growth and spiritual lessons learned by the RA/Challengers or the Chapter. Other important judging criteria would be the time and effort invested in the project, the number of participants and the number of people assisted. Additional information would be the resources utilized to complete the project.
- C. Excellent project ideas are found in the Resource Notebook, monthly magazines and mission study books.
- D. The presentation of both mission education and mission action displays for judging, should be by telling of the story of the project through:

- The written word
- Pictures or drawings
- Video
- Computer presentation
- Items for visual effect
- Other methods

Whatever method or combination of methods chosen, they must be easily operated and understood by the judges and spectators without the presence of the participants. Any special needs (electrical, space, etc.) will need to be requested two weeks prior to the State Office and may not be available at the site.

The method of presentation, whether elaborate or simple, will not be a factor in judging the project. A poster with pictures, captions and an item or two for visual aid would be an excellent way of telling the story.

Judges will award places, Judges awards, etc. based on the judging criteria listed above. Each group will receive bonus points for having at least one entry in the Mission Displays. Additional bonus points will not be awarded for additional entries. However, all entries are eligible to earn competition points for the top three places in each division.

Leaders (Ages 18 and up) compete as a group.

The Survival of the Fittest event is a timed course that has several obstacles and challenges that will test any team. The winning strategy is not physical strength – it is teamwork. As long as the competing team learns how to work together, they have a chance to win. Without teamwork, they are just striving to complete the course. The challenges and obstacles will require both individual effort and team cooperation to complete. The team that completes all of the obstacles and challenges in the shortest amount of time earns the title, "Survival of the Fittest Champions."

The Survival of the Fittest challenge course is divided into two (2) courses:

Course A – Crusaders (Grades 4th-6th)

Course B – Challengers (Grades 7th-12th) and Leaders (Ages 18 and up)

Please note that participants can only compete on one team. If a participant competes on more than one team – all teams on which he competes will be disqualified from the Survival of the Fittest competition.

Each team will be timed by a timer while they are on the course. Each team will begin at the starting line. Time will begin when they are given the instruction “Go” to begin the first obstacle. Time will continue to run as the team works towards successfully completing each challenge. Once the team has completed each challenge, they will race to the next staging area. Once all team members are in the staging area, the timer will stop their time as instructions are given to complete the next obstacle. Once the course is clear for the team to begin the next challenge, the timer will start the clock again at the command “Go.” Once a team has completed the last challenge on the course, they race towards the finish line. The team’s time will stop when the last team member crosses the finish line. Their time is recorded on the team’s registration card.

Patches and chevrons will be awarded to the top six teams in each division.

Saturday Night at the Races
(8:00 pm until 10:00 pm)

If you build it and bring it – then you can race it three times from 8:00 pm until 10:00 pm in the Worship Center on Saturday night. We will set up a track for Line Gliders, Sail Boats and RA Race Cars. See you at the Saturday Night Races at Mission Mania.

Line Gliders

1. Divisions:

The Line Gliders will have (5) five divisions:

Lads	Grades 1-2-3 by Grade
Crusaders	Grades 4-5-6 by Grade
Challengers I	Grades 7-9 by Group
Challengers II	Grades 10-12 by Group
Leaders	Ages 18 and Up by Group

2. Race Rules and Tips:

1. Each Racer will need to bring their own Line Glider and extra rubber bands. RA Line Glider kits can be purchased from Royal Racers at www.royalracers.com
2. Helpful hints for building and racing a RA Line Glider are located in the Royal Ambassadors Resource Notebook. Go to the Texas Baptist Men's website at www.texasbaptistmen.org to download a copy of this free resource.
3. Only the official propeller and rubber band (92-120) supplied with the RA Line Glider kit can be used in competition. Bring extra rubber bands.
4. No device may be used for propulsion except the official propeller and rubber band (92-120) supplied in the RA Line Glider kit. Only one rubber band can be used during the line glider race.
5. Width, Length, and Height Limits: There is no width limit. The total length of the glider cannot exceed (13) thirteen inches. The bottom of the glider should not hang lower than (8) eight inches from the "Track-Line" to allow adequate clearance for the racer.
6. Weight: There is no weight limit for the glider. The recommended minimum total weight should be at least 3/4 ounce. Note: Very light RA Line Gliders have occasionally found the torque so great that the glider will flip over and fall off the track-line.

3. Racing Procedures:

1. Line Gliders will race for distance on a ninety (90)-foot mono-filament track-line with a one (1)-foot incline. Each racer will be allowed to race three (3) times (maximum) for his best distance.
2. When called, each racer will step to the starting position, wind his propeller (suggested 150 turns maximum) and place the Line Glider on the track-line and then release the Line Glider. Leaders are encouraged to assist younger Lads in winding their propellers and placing their Line Glider on the track.
3. Each participant will be asked to release his hand from the back of the glider before he releases the propeller so that no assistance is given to the glider at the start. Any push starts on the glider from the race participant will result in a foul and the distance will not be counted.
4. Once the glider stops, a track official will record the total distance traveled. The racer can then retrieve his Line Glider and return to the end of the line in the starting area for additional attempts.
5. Each time that a racer steps into the starting position, it counts toward one of his three attempts. In the event that a racer's rubber band breaks or his glider torques off of the track line, a distance of zero (0) is recorded on the score sheet. We encourage each racer to bring at least one additional rubber band with them to the race area so that he can replace a broken rubber band on his glider.

4. Awards

5. Patches and Chevrons will be awarded to the top six places for each grade level in the Lads and Crusaders divisions.
6. Patches and Chevrons will be awarded to the top six places in the Challengers I and Challengers II divisions as a group.

4. Length Overall length not to exceed 7 3/8 inches.
5. Height – Overall height not to exceed 2 3/4 inches
6. Weight: Weight shall not exceed 5 ounces. No loose materials of any kind are permitted on the car. The car may be hollowed out and built up to a maximum weight by addition of wood or metal only, provided it is securely built into the body or chassis. No taped on weights will be allowed.
7. Springing: The car must not ride on any type of springs.
8. Wheels: **Only wheels that come with the car kit may be used. The only sanding, grinding, lathing, or any other reduction method allowed is to be done for the sole purpose of removing casting marks. Any reduction to any wheel or part thereof will cause disqualification. Wheel bearings, washers, and bushings are prohibited.**
9. Attachments: The car **must** be freewheeling with no starting devices. All attachments **must** be permanently attached to the car.
10. Only dry lubricant (graphite) may be used on race cars.
11. The front of the race car cannot extend past the starting peg. The race car has to contact the starting peg at a maximum height of one (1) inch.
12. Inspection: Each car **must** pass official inspection by the official inspection committee before it may compete. The inspectors have the right to disqualify those cars which do not meet specifications listed here.

3. Racing Procedures:

Racers can apply graphite lubricant to their race cars only in the designated areas one time before they begin racing. Once a car passes inspection – the car must remain within the race area. No modifications can be made to a car once it has passed inspection. Only Racers (participants with their cars) and Race Officials are allowed within the race area. All others are encouraged to remain in the spectator area and cheer on the racers.
