CHURCH BUILDERS

TBM Family,
God has provided TBM Church Builders with an abundance of upcoming projects for the remainder of this year and in to next year. HE has also provided sixteen builders that have committed to the September project in Gilmer, Texas. Of these sixteen, thirteen have not worked with the Church Builders before. I would like to welcome a new Lead Carpenter for this project, Ray Cucancic of Huntsville, Texas. Ray will be bringing with him over forty years of construction experience.

RV hookups are limited, please let me know if you are planning on joining us, if you have not already done so.

We will be following CDC guidelines for COVID 19 construction sites. Lunch will be provided in a "to-go" style fashion. We can eat in our RVs or outside (social distancing enforced). We will have all PPE (personal protection equipment) needed.
